Comments.

25X1

- (1) These movements and entraining operations are from the termination of the Finsterwalde-Wittenberg command-post exercise. The exercise according to other reports, evidently continued as far as the area of Dessau. The observation of several motor vehicles of the Fourth Gds Pocz Army supports the previous assumption that this army participated in the command-post exercise. [redacted]

25X1

- (2) [redacted] probably an AAA shipment of the air force.

- (3) The unit unloaded probably was a signal unit of the GdPG which, according to records of Subdistrict Office 3 of the Berlin regional railroad headquarters, came from Wuensdorf.

25X1

- (4) [redacted] an AT column of the IX Ktz Rifle Corps or the 94th Gds Ktz Rifle Div which probably moved to a training area near its post.

- (5) The train carried a mixed artillery unit of the 12th Gds Tank Div.
